GRAFF INDIA

Expo by Graff is the latest bathroom furniture collection designed by Alberto Novara and Matteo Nespoli from the Studio Nespoli e Novara based in Brianza, Italy. Developed around a simple wooden frame, the collection is designed to furnish a captivating, open environment and takes inspiration from the display benches used in the past by expert artisans. The chest of drawers, made from varnished MDF wood, provides a considerable storing space and the option of a set of practical dividers. The natural and open concept of the collection is also visible in the circular mirror, with the structure made from varnished Tulipier wood, displaying a harmonious and symmetrical look. The collection is completed by a unique set of hanging shelves with a design that resembles a ladder, resting on the wall.

KOHLER

Kohler recently launched four vibrant faucet finishes. It includes the chic and charming French Gold which is achieved by fusing the charm of gold with the class of chrome. Brushed Nickel comes with a warm, soft appearance that looks classic against white and coordinates well with granite or slate countertops and backsplashes. Rose Gold has a charming allure of gold's splendour meeting the subtle blush of a delicate Pink rose. Brushed Bronze goes equally well with traditional and contemporary decor. These finishes will be available in Finial Faucet, Margaux Faucet, Purist Faucet and Stance Faucet.
