GLOSSTRA PLUS - INDIA'S GLOSSIEST TILES

Created using "Ultra Gloss Technology" with fabric texture, undulated surfaces and stone finishes Glosstra Plus wall tiles are an amalgamation of technological expertise and luxury, from the house of Somany Ceramics. These tiles reflect light propagating a sense of a bigger space while the use of high definition digital printing captures the intricate detailing on the tile surface crating a virtually seamless canvas. The new range offers consumers a wide range of designs such as floral fusion, brocades, chevron, checks, basket weave, gingham, Chinoiserie and Moroccan lattice, cast metal damask and harlequin designs patterns, intricately carved on tiles. The tiles are available in the sizes of 300 mm x 600 mm and are priced from INR 48-60/- per square feet.

TEPHI RANGE BY GRAFF

The Tephi bathtub and sink offering, designed by Graff's G+ Design Studio, is crafted with the company's exclusive Sleek-Stone® material. Contemporary in its design, the range brings forth a minimalist appeal that fits seamlessly into any contemporary design aesthetic. Each product is crafted utilising a combination of the latest, state-of-the-art casting technology and artisanal processes.

Crafted entirely from Sleek-Stone® - a new technologically advanced material that combines dolomite marble with a unique resin, to create a solid compound that has the same appeal as natural stone - the products are stain and UV resistant, making the surfaces easy to clean, with minimal maintenance.

D'DECOR COMMERCIAL BLINDS

Through careful research and development, D'Decor has developed not just aesthetically pleasing but also technologically advanced blinds for the workspace that ensure the best finish and the fastest turnaround time. The blinds come with both motorised and manual operating systems, a five-year warranty program and extremely efficient after sales service. D'Decor has taken innovative solutions a notch higher by introducing blinds that are antibacterial, flame retardant and water repellent to combat safety and hygiene issues in commercial spaces.
