

Adani Group forays in Pune with its luxury residential project

■ Adani Group, one of the largest conglomerates in India, marks its foray in Pune with the launch of its luxury residential project at Koregaon Park NK. The project named Atelier Greens, focuses on offering lifestyle beyond the carpet area, drawing inspiration from making spaces where art of living grows naturally. Nestled in the city center, yet amidst abundant greenery and open spaces, the project, spread across an area of 3 acres, promises world-class luxury apartments with excellent amenities symbolizing an opulent lifestyle.

The project comprises of 256 luxury homes of 2BHK, 2.5BHK and 3BHK configurations. The RERA defined carpet area is between 900 – 2,000 sq. ft., starting with a price range of Rs. 1.45 – Rs. 1.55 crores and to be ready for possession by 2021.

GRAFF® Launches New Ceiling Mounted Showerheads

■ GRAFF®, manufacturer of contemporary precision-engineered kitchen and bath products, has revealed the design of its latest collection, Ceiling Mounted Showerheads. Developed in stainless steel to guarantee a long-lasting, high-performing life, GRAFF's ceiling mounted showerheads feature a minimal design, satisfying the desire for an immaculate look. As part of GRAFF's widely complete shower programme, the new showerheads are available in a rectangular, square and circular shape and include both rain and mist functions for a fulfilling spa experience.

Create that luxurious corner in your home and experience showering like never before. GRAFF brings to your bathrooms, with its latest ceiling mounted showerheads, a piece of technology that will turn every shower into a sensory experience, melting away all the work fatigue and worries. The collection aims to create a relaxing atmosphere while elevating the ambience with mist and light added to the natural music of water droplets.

Egis Group to increase its presence in India, Appoints Sandeep Gulati as the Managing Director, Egis India

Sandeep Gulati

■ Egis, the Paris headquartered global engineering company, today announced Sandeep Gulati as the new Managing Director for Egis India. Sandeep has more than 24 years of varied experience and was previously Chief Financial Officer(CFO) of Alcatel-Lucent and Huawei. For more than two decades, Egis has been one of the leading global integrated infrastructure and engineering companies in India. It is one of the top three providers of comprehensive solutions for infrastructure engineering and project management in the country.

Remi Cunin, Group COO & Deputy CEO of Egis Group said, "Sandeep has shown outstanding capabilities as a leader in his role as CFO and then as Interim CEO and we strongly believe that he will take the Indian operations to greater and profitable growth trajectory."
