

## SHOWCASE

### Redefining your home

» As the winter chill envelops, By Adab, a renowned name in bed & bath linen, presents its latest collection of quilts and pillows. This new collection of cosy quilts, duvets, pillows and blankets from By Adab is lightweight, ultra-soft and vibrant in colour giving maximum comfort while uplifting the style quotient of the room decor.

Crafted with a unique six-layer fibre fill system, Mrs All Weather quilt and duvet collection is suitable for any kind of season and is made with special breathing technology which provides extra comfort to the user. The Mrs Support collection offers pillows with an extra height and added support. The collection comes in a variety of sizes which can even be customised. These quilts and duvets are machine washable.

### Organise in style

» William Penn, India's premium retailer of top-of-the-line writing instruments and business accessories, presents Pennline multifunctional organiser. It has an inbuilt 4,000 mAH power bank. It comes in a classic black and elegant brown, sleek leatherette case with a refillable notepad. The 4 GB styl-

ish pen drive attachment also works as an uber-chic locking mechanism. It has inbuilt separate android and iOS charging cables with a charge indicator. With its polished finish, the new Pennline organiser wows you with its enviable classy look and premium features. Inside card slots, utility pockets and a pen holder give it an extra edge. We can personalise it for you and it comes with a one year warranty. Get organised in style with Pennline. The leatherette notebook organiser comes in elegant brown and classic black. Available exclusively at William Penn stores and online at [www.willampenn.net](http://www.willampenn.net)

### Sleek fittings

» GRAFF, the worldwide manufacturer of innovative faucets and shower systems has now come up with their latest innovation: the Tephi collection. The Tephi bathtub and sink offering, designed by GRAFF's G+ Design Studio, is crafted with the company's exclusive sleek stone material. Both the soaking tub and sink feature a warm-to-touch feel, paired with a unique and luxurious smoothness — offering users an exclusive and elegant bathroom experience.

Contemporary in its design, it brings forth a minimalist appeal that fits seamlessly into any contemporary design aesthetic. Each product is crafted utilising a combination of the latest, state-of-the-art casting technology and artisanal processes. Available in a gloss or matte white finish. The full collection can be viewed on [www.graff-faucets.com](http://www.graff-faucets.com).
