

**GRAFF****Dressage Free-Standing Vanity**

The Dressage Free-Standing Vanity, part of Graff's modern Dressage Collection, has been designed by Nespoli and Norara Design Studio. The compact and functional unit combines subtle elegance with aesthetic balance, presenting a minimalist, vase-shaped base that conceals all plumbing. Inspired by craftsmanship, the vanity is made using DuPont Corian and Canaletto walnut solid wood, capturing the artisanal elements of furniture design. The piece is available in three finishes of Canaletto walnut, oak and wenge, and is fully customisable.

**FEELGOOD DESIGNS****C317**

To celebrate turning fifty, the round C317 lounge has been reimagined in a young and fresh manner. Created by designer Yuzuru Yamakawa, the chair has a beautiful detailed finish and is made from natural materials for indoor use. Timeless elegance that looks good in any setting, C317 breathes traditional craftsmanship, manufactured within sustainable processes.
