

## GRAFF presents 'Topaz', the crown jewel collection for the bathroom

GRAFF, the worldwide manufacturer of innovative faucets, introduces the newest gem collection for the bathroom. The complete collection includes a lavatory widespread, wall-mounted faucets, deck-mounted roman tub sets and thermostatic shower systems. The lavatory and roman tub spouts feature a smooth curve that ends with a hexagonal base framed by the two handles carved like jewels. The levers of the handles are slightly waved with shaped like a leaf in art-deco style.

## VitrA introduces its Juno Collection Embelished with Sarwoski

VitrA, the leading bathroom solutions brand of Eczacıbaşı Building Products Division in Turkey introduces Juno series.

This series offers a lavish bathroom interior ambiance which is created with original Swarovski crystal joysticks and faucet rings enhanced with fine details.

This collection's seemingly makes your bathroom look lavish with the natural sparkle of crystal shines. The simple form and function are enhanced to incredible effect with PVD coatings, a state-of-the-art process of vaporising and depositing metal powder onto a surface, which remains corrosion-free and scratch-resistant. The Juno series is available in gold and chrome shades that add texture, depth and a unique identity rarely seen before in bathroom design.

## Housing.com and Tata Housing sign strategic deal to build exclusive end to end marketing platform

*This first-of-its-kind deal is the third partnership between Housing.com and Tata Housing*

Housing.com, India's most innovative real estate platform and Tata Housing, a subsidiary of TATA Sons Limited have signed a multi-level strategic partnership deal as part of which Housing.com will offer a full stack solution by creating an exclusive integrated pan-india brand platform showcasing their current inventory (premium homes as well as Tata Value Homes) as well as exclusive launch of their upcoming projects. The deal is considered to be the biggest of its kind in terms of delivery and scale of services being deployed.

## 2nd India Copper Forum, by International Copper Association India (ICAI) concludes with an in-depth analysis of the Indian copper sector

Per capita usage of copper in India is at average 0.8 kgs as compared to the world average 3.7kgs India copper usage stood at 1.2 mn tonnes in 2015, set to double in the next 5-6 years

International Copper Association India (ICA India) in association with Hindalco Industries Ltd and Vedanta Ltd organised the prestigious India Copper Forum earlier today in Mumbai. The event brought together experts and thought leaders from the copper fraternity to congregate and deliberate on opportunities, challenges and future of the country with copper. Since 2000, India's domestic copper usage has registered a very healthy growth rate which is in-line with the robust GDP growth witnessed by India during the same period.
