

### CONTEMPORARY CLASSIC

Reminiscent of fixtures found in a classic New York City brownstone, **Watermark Designs' new Stratford collection** has an elegantly vintage look that's also suited to modern settings. Various customized handle options are available.

**STEALTH OBJECT** Strong in structure with definitive lines, **Graff's single-lever Stealth faucet** appears poised to take flight when flowing. Part of Graff's Trends collection, it pairs high style with architectural charisma. ■ [graff-faucets.com](http://graff-faucets.com); 800-954-4723

**LAVATORY LUXURY** The first double-walled sink in **Native Trails' lavatory line**, the **Laguna** is made from hand-hammered copper. Its round interior bowl fully displays its unique surface texture. Shown: Antique Copper. ■ [nativetrails.net](http://nativetrails.net); 800-786-0862

### FILL TO BOIL

Crafted from solid brass, **Blanco's Universal deck-mounted potfiller** is a handy installation alternative to wall-mounted versions. Choose between shiny polished chrome or satin nickel finishes. ■ [blancoamerica.com](http://blancoamerica.com); 800-451-5782

### STYLISH FLEXIBILITY

Fitted with an integrated on/off handle and a timeless gooseneck spout design, **Graff's Duxbury faucet** serves up a menu of conveniences and comes in three finishes to fit traditional to contemporary interiors. ■ [graff-faucets.com](http://graff-faucets.com); 800-954-4723
