Graff Presents An Inventive Faucet - Luna

Graff - that stands out for its new ideas, unique achievements and exclusive solutions in the faucets field has come up with their most

inventive faucet collection Luna for the bathroom. Winner of the prestigious Interior Design Best of Year Awards in the bath section, Luna's singular design is supreme not only for its distinctive shape, but also for the mirror-like finish, which gives its surface a highly reflective effect.

Equipped with an aerator, the Luna faucet has a flow rate of 18 litres per minute with a 3 bar pressure. Available with wall-mounted or deck-mounted handles as a lavatory faucet, the collection also includes an original shower column recalling the curve of the spout. Luna is available in the polished chrome and Steelnox® finishes.

Graff has developed the special Steelnox® finish, perfectly fingerprint-proof and very high performing. The powder coating process, in fact, makes the finish extremely resistant to scratching and chipping as well as abrasions, corruptions, discoloration and other problems of wear. Headquartered in Milwaukee, Wisconsin, USA, with locations throughout Europe, Graff is globally recognized for its trend-setting products and unique vision.
