

Style statement ...

Graff has launched its Luna collection of bathroom faucets. Equipped with an aerator, the Luna faucet has a flow rate of 18 litres per minute with a three bar pressure. Available with wall-mounted or deck-mounted handles as a lavatory faucet,

the collection also includes an original shower column recalling the curve of the spout. It is available in the polished chrome and Steelnox® finishes. It is resistant to scratching, chipping and abrasions.

Spa time ...

Jal's foot spa and pedicure station is a mini jacuzzi that's equipped with two jets, water outlets for cold and hot sprays and a hand shower. Sleek and portable, the foot spa station is made of acrylic and pine wood. Another offering by Jal is the single lever basin mixer from the Tansa collection. It comes with foam flow water saving aerators and quarter turn ceramic disc faucets.

PRICE: ₹65,000 for the foot spa

Shower space ...

FIMA Carlo Frattini has come up with collection NU, the new shower head designed by Davide Vercelli. The minimalist shape has a rectangular stainless steel frame hang with a series of three small shower heads inside. It has translucent silicone tubes that ensure water to every single jet. NU is available in three variants – longitudinal, transverse and suspended, in chrome and brushed nickel.
