### Häfele releases new products

Häfele, one of the world's leading companies for furniture fittings, architectural hardware, and technical advice, recently introduced a new range of offerings including products from top brands from across the world. The Vauth-Sagel larder units are tall storage solutions for modern kitchens. The cabinets from Italiana Ferramenta also provide an aesthetic addition to any modern kitchen. For more information, call 1800-266-6667 or visit [www.hafeleindia.com](http://www.hafeleindia.com)

### New offerings from Aria Interior Design

Aria Interior Design's newest collection is a celebration of Summer. Dominated by a bright palette consisting of peacock blues, golden olives and mustard yellows along with a mix and contrast of neutral colours, the furniture collection has individual pieces that are unique and yet a holistic part of the range. Exotic materials, such as Persian woven kilim, have been used in the creation of this range. For more information, call 124-4287020 or email [info@ariainterior.com](mailto:info@ariainterior.com)

### GRAFF unveils new faucet collection

GRAFF is a prestigious luxury plumbing and hardware company with a history stretching back to 1922. GRAFF recently unveiled their latest faucet collection titled LUNA. The LUNA faucets come equipped with an aerator and offer a flow rate of five litres per minute. The collection is available in chrome as well as GRAFF's patented fingerprint proof, high-performing Steelnox® finish.
