Inspired by Asian gateways, this pullout faucet with a serene appearance is from the Green Tea® Collection by American Standard. Flexible hose connections mean the ADA-compliant lever handles can be installed from 6 to 12 inches apart. Water conserving, pressure-compensating aerator. \$432 in polished chrome, \$647 in stainless steel. AMERICANSTANDARD-US.COM.

The Ametis Shower Column, designed by DCUBE founder Davide Oppizzi for Graff®, lends a futuristic feel to the bathroom. The electronic system with ceiling-mounted showerhead creates an intense central rainfall, features an LED color-change effect controlled by touch screen and includes a USB port with speakers that connect to portable music players.
