Modern Wonders

Launched at Salone del Mobile 2018, Portrait by Aster Cucine fuses traditional and transitional styles into one. Designed by Lorenzo Granocchia, it combines natural wood with lacquered or veneer finishes to perfect that country style, shabby-chic vibe.

Simple Solutions

Bathware fixture brand Graff's newest range, Desideri comprises the sleek Armina washbasin as well. Its compact size makes it ideal for small bathrooms. Crafted from Sleek-Stone, the basin is easy to clean and maintain.

Fine Surfaces

Give your bathroom a swish update with Stonelam Laminam ceramic slabs. These are easy to clean and do not absorb humidity.

Soaking in!

With the trend of overhead showers quickly taking a backseat, it becomes necessary to explore showerheads at various heights. Here's where Advantix shower channel range from Viega comes in handy. The stainless steel designer grates are available in matt and high-gloss polish.
