

DECOR DIARY

Geometric balance

The beauty of the Pent WC by Sternhagen derives its inspiration from geometric shapes. The shapes of the pentagon and hexagon are combined to bring us a timeless modern urban aesthetic.

Smart Solutions

With the world shifting to an organic state of mind, these wicker baskets by Hettich are perfect for the kitchen space. Fuss free and stylish...don't you just love them?!

Kitchens & Bathrooms

The latest on the not-so-small wonders that make our lives so much simpler

FEATURE **SWARUPA TRIPATHY**

Kitchen King

Bring home the stylish Faber stainless steel chimney and freshen up your kitchen. Its elegant design and smooth finish provides you with an easy cleaning option so that you don't have to fuss too much.

Sleek Style

The FINEZZA series of faucets now includes coordinating sinks and free-standing bathtubs. With this new range, GRAFF combines natural dolomitic minerals with a unique resin to create naturally durable surface. For a cohesive approach to your bathroom design, think no further than this series.
