

**GRAFF  
QUBIC COLLECTION**

Introduced by Graff, the Qubic Collection is manufactured entirely in emptied brass, with a minimum level of nickel and lead. Available in polished chrome, Steelnox (satin nickel), black and white, it creates a cohesive look. Polished in elegant it represents an architectural element with a defined contemporary design. Its 3 hole version comes with a separate thinner lever that is the focal point of the collection.

**KOHLER  
KAMALA**

Inspired by ancient South-East Asian rain drums, the Kamala vessel-style sink by Kohler is cast of bronze. Covered with an elaborate low relief pattern of dots, ridges, scrolls and links it poses as a piece of sculpture on your counter. A ring of columns towards the center, direct the water into its integrated drain. It sports an aged patina over time that adds to its glamour.

**BISAZZA  
MARMO COLLECTION**

The Marmo Collection by Bisazza is a new line of polychrome decorative patterns, made of marble and inspired by traditional stone flooring. Dedicated to the timeless elegance of marble, Marmo is available in nine colours and sixteen geometric patterns. Each pattern is available in two colours. An arrangement of geometric shapes adds drama to the product and an element of luxury to your bathroom aesthetics.
