

GRAFF LAUNCHES PRECISION CRAFTED ARTISTIC MOD+ COLLECTION

Graff has expanded its product portfolio with the addition of the opulent MOD+ Collection. The MOD+ collection includes several products with boundless opportunities to mix and match finishes and surfaces for endless versatility. The variety of designs offered in MOD+ by GRAFF is striking. The handle covers are available in exciting colours and finishes, such as Brushed Gold, Forest Green Marble, Steelnox, Smokey White and Storm Black Marble, to name a few. The brass selection can be further elevated with the application of any of GRAFF's 18 signature finishes. Each product in the MOD+ collection is a fusion of design, talent and technology used to create these masterpieces of impeccable quality. The excellence of geometric meticulousness flowing into the chiselled edge can be seen in the elegant curves of all MOD+ Collection elements. Each product of MOD+ is shaped into a confident stoic body, a design that feels effortless and looks polished.

TRESORIE'S HIGH-TEA PARTY COLLECTION

Tresorie by Sonali Arora presents its latest High-Tea Party collection that radiates opulence with a sense of warmth and intimacy. The collection comprises an array of cups, saucers, kettles, tea-pots, and quirky chips and dips platters. The store has also introduced lustrous tea sets from Poland in earthy tones of light grey, olive green, orange and dark grey, brimmed with a metallic finish. The range consists of wood-based chip & dip platters, cheese boards and glass platters.
