

COOL FURNITURE

The traditional wood meets the innovative and functional Corian in Graff's Dressage collection of furniture for bathrooms. The beautifully crafted pieces are sure to turn your bathrooms into stylish havens. (graff-faucets.com)

Floral effect

Brighten up a small corner of a room or an entryway, with this intricately designed mirror by Beyond Design. Made of teak wood with black high gloss finish. ₹28,000 (beyonddesigns.in)

WASH SMART

Faber's new semi-integrated dishwasher comes with the promise of using less water than hand washing, along with saving time and electricity. It's elegantly designed too. [faberindia.com]

Floating cube

Italian furniture company Molteni & C ties up with Tel Aviv-based artist/designer Ron Gilad for a playful display at its exhibition space at the Giussano production unit. Twenty photographic works on, with just as many Molteni&C products, are presented in a floating cube made of glass. (molteni.it)

GET A BIT WILD

Add a delicately wild touch to your interiors with Clarke and Clarke's Wilderness fabric collection. From narrow vertical stripes to bold floral prints to bird motifs, there are many trendy options. (clarke-clarke.com)
