

## Modern bathroom suites by ALCHYMI

Contemporary, modern and quintessentially Manish Malhotra, ALCHYMI bathrooms offer a seamless combination of revolutionary form, bold contours, varied color palettes and unusual textures, along with best-in-class technological processes via FloSense technology in the Hindware design studio, which recently unveiled 4 new themed bathroom suites. Keeping ALCHYMI's promise to deliver unique experiences, Aromatic retreat offers India's first Aroma Slots in water closets and faucets for a refreshing experience. The Manish Malhotra conceptualized bathroom suites start at ₹50,000 and the collection is available only at Hindware Galleria, Hindware Premiere and Lacasa stores across India.

## GRAFF introduces DESIDERI collection of washbasins and bathtubs

The DESIDERI collection includes Arnina and Harmonie washbasins with luxurious smoothness and Sleek-Stone®'s durable properties that make surfaces easy to clean and require minimal maintenance. The collection is available in Gloss and Matte white. With a diameter 40 cm, Arnina is ideal for small bathrooms and suited to both wall-mounted basin mixers and tall deck-mounted basin faucets. The basin is equipped with a round Sleek-Stone® drain cover. Both washbasins feature Sleek-Stone® material, which combines 75% natural dolomitic minerals with a unique resin for a naturally durable surface that is both scratch and stain resistant.
