PREMIUM LAMINATES FROM REHAU REDEFINE LIVING SPACES

REHAU India, the polymer-based building solutions provider, has launched

an array of laminate surface solutions - Rauvisio Crystal, Rauvisio Crystal Slim, Rauvisio Brilliant, Rauvisio Wave, and Rauvisio Mirror. These laminate solutions add durability and aesthetics to modern interiors by virtue of their colour fastness and long term performance, even when exposed to UV light.

VIBRANT FAUCET FINISHES FROM KOHLER

KOHLER Co has introduced new Vibrant® finishes for its range of faucets.

The subtle warmth of French Gold, the soft and classic air of Brushed Nickel, the subtle tones of the Brushed Bronze, and the charming romantic allure of the Rose Gold infuse character to Kohler's exquisitely designed faucet collection.

NEW TWO-JET HAND-HELD SHOWER FROM AXOR

AXOR has announced its latest hand-held shower AXOR One. The unique design of the shower combines angles and curves in perfect unity. The high-quality and precisely manufactured metal corpus with a fully integrated handle is positioned vertically in the porter unit of the shower rod. With a soothing spray for body cleansing, the shower offers another spray type that can be selected easily and intuitively by the push of a button.

EXPO BATHROOM FURNITURE FROM GRAFF

GRAFF has introduced EXPO, a new furniture collection for the bathroom. The wooden chest of drawer provides considerable storing space and the option

of a set of practical dividers. The natural and open concept is also visible in the mirror: with a wooden structure and a circular shape, the mirror displays a harmonious and symmetrical look. Expo is available in a matte white varnished finish.
