**Graff**

Headquartered in Milwaukee, Wisconsin, USA, with locations throughout Europe, GRAFF is

Graff products are renowned for their unique aesthetics

globally recognized for its trend-setting products and unique vision. Supported since 1922 by extensive plumbing and hardware manufacturing experience, GRAFF has positioned itself at the forefront of design creating designer-based collections for the luxury market.

According to Ms Emanuela Tavolini, Director of Sales Europe, Graff, "Graff employs over 1000 dedicated professionals and has total control over the full production process, making it a truly vertically-integrated manufacturer. Graff products are renowned for their unique design, the wide range inside each collection and the superior finishes."

The company is a completely sustainable venture: its manufacturing system is based on the innovative Lean Manufacturing Management concept. By eliminating waste in the form of time, energy and materials, each process achieves substantial efficiencies. Graff has in fact, a zero-discharge system that recycles 100% of brass and paper products.
