Graff Launches Terra Collection

Graff, the worldwide manufacturer of innovative faucets, introduces Terra; a collection that is essential, soft and natural like earth. Terra offers modern cutting-edge solutions that are ecologically sound and look forward to technological progress. The cylindrical, smooth and bright shape, recreates a relaxing atmosphere of harmony in the bathroom.

Designed by Graff Design Studio, Terra is a collection with several pieces and accessories. The series is available in several finishes: polished chrome, brushed nickel, matte black and matte white.

Terra is the most exquisite collection to prevail and endure

over time, a group of elements that are perfectly integrated in today's world and respond to its sudden changes. Even in the casting, finishing and galvanic treatments, Graff adopts a zero discharge system that recycles 100% of brass and paper.

In line with its strong commitment to environmental sustainability, the Terra collection is one of the most sustainable by the American company. The collection is manufactured in solid brass with a minimum level of nickel and lead and a 5-year warranty.

VitrA Introduces Water Jewels Collection

VitrA, the leading bathroom solutions brand of Eczaçbaşı Building Products Division in Turkey introduces soft yet elegant lines of Water Jewels Washbasins and their exclusive color options add originality and sophistication to bathrooms of every style.

The Water Jewels Washbasins, is created by the Italian designer Matteo Thun, together with the VitrA Design Team. This series artfully showcases the designs of ceramic washbasins finished with brilliant metallic rim coatings that draw inspiration from traditional Turkish craftsmanship.

This collection's seemingly simple form and function are enhanced to incredible effect

with PVD coatings, a state-of-the-art process of vaporising and depositing metal powder onto a surface, which remains corrosion-free and scratch-resistant. The Water Jewels Washbasins are available with platinum, gold and copper coloured rims and traditional white gloss and suitable for bench mount, semi-inset and under-counter installation.

With its stylish aesthetics, sophisticated details and infinite product range, Water Jewels Washbasins is the choice of people who are on a lookout for a bathroom series to complement prestigious households.

Disha Pavers Introduces Antique

An ideal paver to render a look of the "ancient", Antique from Disha Pavers offers strength combined with rustic beauty to the landscape.

Developed in 2015, the design has received rave reviews from architects and landscape designers and has been used extensively all over the country.

Antieu pavers are manufactured in three variants and are offered in four standard

colour variants - Dusk, Daffodil, Lilac with Brown and Silver Grey / Dove Grey. Antique pavers has a defined 'crack-design' with a rock-like finish which lends a natural look to the paved area.

Antique can be used in combination with other pavers like Bric, Cobblestone or Flagstone to create stunning visual effects.
